

IUPUI Sexual Assault Prevention Programming Plan

As you may know, the Violence Against Women Reauthorization Act (“VAWA”), signed into law on March 7, 2013 imposes new obligations on colleges and universities under its [Campus Sexual Violence Act \(“SaVE Act”\) provision, Section 304](#). Included are requirements for each institution of higher education to implement preventive education programs for students and employees.

The IUPUI Sexual Assault Prevention, Intervention, and Response Task Force (SAPIR) is a campus wide coalition that initiates and coordinates efforts to address sexual assault and intimate partner violence on campus. Key partners include Counseling and Psychological Services, the Dean of Students, the Office for Women, Student Health, the Office of Equal Opportunity and IU Police.

In order to coordinate programming and provide consistent messages regarding IUPUI’s efforts in prevention and response to sexual assault and sexual violence, ***we ask that all proposed campus-related presentations on these topics be documented on this form for review and comment by the IUPUI Sexual Assault Prevention, Intervention and Response Task Force.***

Information submitted on this form will be reviewed by a sub-committee of SAPIR and consultation and feedback will be provided as indicated. This information will also be retained to document campus efforts to address the SaVE Act. We appreciate your interest in sexual assault prevention education and your cooperation in this process. Please submit to Kathy Grove, Office for Women, ksgrove@iupui.edu or Julie Lash, Counseling and Psychological Services, jlash@iupui.edu.

Name of Sponsor Unit or Organization:
